ABSTRACT

This report of statistical data concerning Texas institutions of higher education begins with a list of the institutions, including public universities, public health-related institutions, public community colleges, the public technical college system, independent senior colleges and universities, independent health-related institutions, and independent junior colleges. Data are presented in the following eight categories: (1) student enrollment (5-year summaries of headcount enrollment; headcount enrollment by classification, ethnic origin, gender; first-time, full-time freshmen by ethnic origin and gender; retention of first-time students; resident and nonresident students); (2) semester credit hours by level and by program; (3) degrees awarded, by level, program, ethnic origin, gender; first-time, full-time freshmen who graduated within 6 years, by ethnic origin and gender; and bachelor's degrees awarded to transfer students from community colleges by ethnic origin and gender; (4) faculty headcounts by rank, ethnic origin, gender, tenure status; average salaries; student-faculty ratios; (5) governing board members and nonfaculty personnel by ethnic origin and gender; (6) physical facilities (investment in physical plant and net assignable facilities space by function); (7) higher education appropriations (all funds and general revenue, and per student appropriations); and (8) student financial aid recipients by ethnic origin and gender, and financial aid by type of aid program. A profile for each public university supplies data on students, degrees awarded, faculty, and nonfaculty personnel. (JDD)

[1] Data is computed. Each ratio represents fall semester full-time student equivalents divided by the number of full-time faculty equivalents computed from the institutions' CBM008. For purposes of these computations, institutional fall semester totals of student credit hours divided by 15 were used as the measure of full-time equivalents.

[2] Due to the partnership between the University of Texas at Brownsville and Texas Southmost College, reporting anomalies have occurred.

Revised

Notes:
a. The above amounts include supplemental appropriations to the Texas Commission on Higher Education or the Texas Higher Education Coordinating Board for allocation to the public universities.
b. Excludes appropriations for new construction.
c. Does not include salary increase funds provided by Article V of the Appropriations Bill for the 1985-87 biennium.
d. For the 1991-93 biennium, appropriations include amounts identified for each agency reduced by provisions of Section 145 of Article V. Appropriations also include amounts for staff group insurance appropriated to the Employee Retirement System which were previously appropriated to each agency. Amounts do not include salary increase funds provided in Section 146 of Article V and other possible reductions that may be applicable to higher education.
e. For the 1993-95 biennium, appropriations include amounts for staff group insurance which were appropriated to the Employee Retirement System. Also included is the Article III, Section 38 reduction in appropriations due to the advanced placement program.

The License Plate Insignia Scholarship Program is funded through the sale of special car license plates which show the insignia of the participating institution. Only those institutions committing to sell at least 1,500 special plates may participate. Funds for public universities are directly deposited in school accounts at the State Treasury by the Department of Public Safety. Scholarship awards are then made on campus. License plate proceeds for independent institutions and public community colleges are deposited at the State Treasury in a Coordinating Board account. The Coordinating Board then forwards public community college funds to the schools to award on campus. Applications from independent institutions are administered by the Board.
